

2020 Scholarship Packet

Students,

Make sure you read each scholarship description carefully! Pay attention for the following four items:

1. Do you meet the requirements for the scholarship?
2. Is the scholarship appropriate for you? (example: someone going into nursing cannot apply for a wildlife conservation scholarship)
3. When is the scholarship due?
4. How do you turn in the scholarship? Is it through Mrs. Eilerman or do you send it directly to the donor?

IMPORTANT: These donors CHOOSE to spend their money and time giving back to Williamsburg students- and they love to do so!! Make sure your essays are clean, concise and professional. Your resumes and activity lists should be organized and easy to understand.

If you need any assistance writing resumes, essays or have any questions, please feel free to check with me.

For scholarship consideration please write essay for the following prompt:

Tell us about a time when you overcame adversity but used the situation as an opportunity to help other and remained positive. How did you persevere? Did you still seek to put others first?

**Adam Brown Memorial Scholarship
Sponsored by Robert Lucke Homes**

**Adam Matthew Brown
July 15, 1988 - August 14, 2002**

In memory Adam Brown, brother of Heather Brown, son of Fred and Judy Brown, grandson of Marion and Roseann Lucke, and Martin and Sharon Brown. Adam was a lifelong resident of Williamsburg and a member of the Class of 2006.

Though Adam was born with Marfan Syndrome, a disease that affects the connective tissue supporting the body's organs, he led a full life that was and is an example to others. Adam enjoyed playing cards and tinkering with old cars to get them running. He was a Boy Scout and golf enthusiast. He loved to follow the Dallas Cowboys, the Cincinnati Reds and of course, all of his sister Heather's sport activities.

Adam was active in both school and church. He was an A student, excelling in math and playing in band. Adam was quick to offer encouragement to others. Patrick Barkey Memorial Scholarship

Patrick Barkey was a young man who loved the game of baseball. His life was tragically cut short at the age of 13. To honor his memory and his love for the game, Dolphins Baseball is honored to award 2, \$500 scholarships in Patrick's name.

Patrick was the heart of the team, a selfless teammate and always wore a smile. He was dedicated to his team and his teammates, a friend to all. We miss his infectious energy. Last summer, Dolphins Baseball held a memorial tournament, "King of the Patch". These two scholarships are funded from the proceeds of that tournament. We hope to make this an annual tradition.

The Patrick Barkey Memorial Scholarship will be awarded to two senior students who also "love the game". In order to be considered, you must have played either baseball and/or softball. You need to explain in a couple or few paragraphs what the sport (baseball or softball) means to you and what impact it has had on your life.

The scholarship will be awarded at the 2nd annual "King of the Patch" tournament in June. **Applications must be submitted by May 1, 2019.** The winners will be notified mid-May and will be requested to attend the award ceremony during the weekend of June 7-9 (as the tournament schedule comes together a specific date and time will be shared with the recipient at time of notification).
