Attendance Regulations

Ohio law states that a student between the ages of six and eighteen years must attend school on a regular basis. Absences are either excused or unexcused.

Excused Absences

1. Personal illness (a written physician's statement verifying the illness may be required).
2. Illness in the family necessitating the presence of the child.
3. Quarantine of the home.
4. Death in the family.
5. Necessary work at home due to absence or incapacity of parent(s)/guardian(s).

6. Observation or celebration of a bona fide religious holiday.
7. Out-of-state travel (up to a maximum of four (4) days per school year) to participate in a District-approved enrichment or extracurricular activity. Any classroom assignment missed due to the absence shall be completed by the student.
8. Such good cause as may be acceptable to the Superintendent.
9. Medically necessary leave for a pregnant student in accordance with Policy 5751.
10. Service as a precinct officer at a primary, special or general election in accordance with the program set forth in Policy 5725.

Written documentation/note is required for all absences. Please see Policy 5200 for further information regarding attendance.

Unexcused Absences

All absences that do not meet the criteria for an excused absence will be unexcused. Types of absences which are unexcused include but are not limited to: oversleeping, missing the bus, car breakdowns, shopping, haircuts, babysitting, suspension, or expulsion. All schoolwork missed as a result of an unexcused absence can be made up for reduced credit.

Students who arrive late to school must sign-in at the middle or high school office before reporting to class. Any student who does not provide a valid excuse for his/her absence must still obtain an absence slip for that day. If a valid excuse is presented on the following day, the absence will be changed to excused. **An absence of more than three days must be excused by a doctor's statement.**

An absence that is not judged as excused is a serious offense. Truancy is considered an unexcused absence. Since truancy is a violation of Ohio State Law, it may be punished by referral to juvenile court (per Student Code of Conduct.) A student who receives an unexcused absence slip will receive an incomplete in the grade book until the work has been completed to the satisfaction of the teacher involved. The amount of time given to make up work will be equal to the length of time missed.

Once a student has missed 72 hours of school during the school year, all absences will be unexcused unless there is a note from a medical professional or legal authority. Parent notes will not be accepted after a student has been absent from school for 72 hours (excused or unexcused) for the school year.

Attendance Requirements for School Sponsored Events

Any student who wishes to participate in any school sponsored event after school hours must be signed in by 8:30 AM. Any student who does not provide a valid excuse for his/her absence will not be allowed to participate. This includes rehearsals, play practices, concerts, athletic events, dances, and Prom.

For school sponsored events that occur on weekends, students must meet the requirements for participation in a Friday activity. In other words, the weekend is a continuation of Friday as far as student participation in school sponsored events is concerned.

Any student that has five or more unexcused absences from school will not be permitted to attend school sponsored events.

Tardiness Procedures

Students arriving after 8:00 a.m. must sign in his/her respective grade level office. Students may be subject to disciplinary actions for tardiness to school and/or class.

Tardies will be documented by time missed (hours) and count toward students' absence record.

To Leave School Early

A student who must be excused for a doctor's appointment or for any other reason must report to the Principal's office and receive permission to leave from the principal or principal's designee. You must sign the sign out sheet in front of a school official. It is a very serious offense for students to leave the school premises without permission of the principal's office. The secretary will call the parents of students who wish to go home because of illness. Students are not to sign out without permission. Written permission from parents must be received in the office in order for a student driver to leave school early.

College Visitation Days

Seniors who visit prospective colleges will be excused for a total of 3 days. Juniors who visit prospective colleges will be excused for a total of 1 day. College visitation forms must be obtained from the guidance counselor and returned prior to the visit.

Vacations

The school discourages students from being absent during the school year any more than absolutely necessary. Family vacations should be scheduled during the summer months. However, if a vacation has to be scheduled during the school year, prior approval must be given by the principal at least one week in advance of the request. Furthermore, vacation absences will not be excused during times of district and state-wide testing.

School Truancy

Any student leaving the building without one of the above stated forms of permission will be considered "out of the building - unauthorized" and/or truant. A student leaving the building for a legitimate reason but without permission will have the absence marked as unexcused.

A student will be deemed "habitually truant" if the student is Absent Unexcused for:

1. 30 consecutive hours of instruction or
2. 42 hours of instruction during one calendar month or
3. 72 hours of instruction during one school year.

The parent(s) and/or legal guardian(s) of a student who is deemed “habitually truant” will be required to comply with school adopted policies and procedures to address the student’s truant behavior. In each case, reasonable and meaningful attempts will be made by the school to notify and engage the student and parents in resolving the truancy.

If a student is habitually truant and the student’s parent/legal guardian failed to cause the student to resume attendance, the Superintendent will file a complaint with the Juvenile Court and/or take other appropriate intervention actions as set forth in Board policy.

Excessive Absenteeism is defined as a student of compulsory school age is absent from school with or without legitimate excuse for thirty-eight (38) or more hours in one school month, or sixty-five (65) or more hours in a school year. Excessive Absenteeism includes Excused and Unexcused Absences.

The parent(s) and/or legal guardian(s) of a student who is deemed “excessively absent” will be required to comply with school adopted policies and procedures to address the student’s truant behavior. In each case, reasonable and meaningful attempts will be made by the school to notify and engage the student and parents in resolving the truancy.

School or Class Truancy: Credit for missed assignments may be given to a student who is deemed habitually truant at the discretion of the administration.

Head Lice

Williamsburg Local School District has a “No-Nit” policy. If a student has been found to have lice or nits (eggs) he/she will be sent home. Enforcing a no-nit policy is key to preventing outbreaks and infestations. **Upon returning to school, students will be re-checked. Therefore, the parent/guardian must bring their child to school upon return.** The responsibility for nit removal rests with the parent/guardian. The school district and the Clermont County Health Department are available to answer questions concerning the eradication of lice infestations and provide support to our families.

Breakfast/Lunchroom Regulations

When students are dismissed for lunch, all students are to report to the auditoria after going to their lockers. Students will have a seat at any table they choose, and will wait to be dismissed to the serving line by a staff member on duty.

During the lunch period, students need to stay in the auditoria area. There is no need for students to go into the hallways beyond the stage area. The restrooms near the gymnasium are to be used by students during lunch.

Upon completing lunch, students may be dismissed to the gym once all food and drinks have been completed and their area has been cleaned. Students will be dismissed to the gym by a lunchroom monitor.

Students are not to order takeout or delivery food for lunch. Students either need to bring their lunch from home or purchase lunch from the cafeteria.

Parents are not permitted to eat lunch with students or deliver food for them.

Students are to remain in the auditoria/gym during the lunch period!

Cafeteria Rules

Keep serving lines orderly.
Saving a place or cutting into the line is not permitted.
Everyone is responsible for maintaining a clean area.
Always return your tray to the kitchen.
Keep noise to a reasonable level.
Excessive charges will not be permitted.

There are AP reduced rates for those students who meet financial need requirements. Please see the guidance counselor to see if you have questions.

All school fees must be paid for students to attend or participate in any school activities. This includes dances.

Athletic Pay to Play

Athletic fees are \$100.00 per season.

Driving, Parking, Passes

1. Driving to and from school is a privilege.
2. Reckless driving will result in the loss of privileges.
3. Any student tardy to school five (5) times per quarter loses all driving privileges for that quarter.
4. Students who fail two or more classes will not be permitted to drive the following quarter.
5. Students wishing to obtain a parking pass will be required to complete an Informed Consent Agreement allowing for Random Screening Drug Test.

Student parking is available at the upper level. Students are required to have a parking pass, which costs \$10.00, and display it in their car when parked on school grounds. A parking pass will be issued when a completed Parking Permit form and an Informed Consent form are completed electronically via Final Forms. Forms are located online: www.williamsburg-oh.finalforms.com.

Building principals or their designees may inspect a student's vehicle parked on school premises if there is reasonable cause to believe that prohibited articles are kept there, or that school rules and regulations have been violated. If such an inspection takes place, the student or another adult will be present. An inspection of a vehicle from the exterior is not a search. This policy will not intend

to limit or prevent a school official from investigating incidents and determining a basis for decisions affecting the operation of the schools, conduct of students, or services of employees.

Drop Off/Pick Up

All students who arrive by car to school must be dropped off and picked up at the high school entrance. Students cannot arrive at school before 7:15 a.m. without prior administrative approval. All students arriving by vehicle must remain in the auditoria/gym until the first bell rings. All students must enter through the high school entrance on the upper level during the school day.

Parent-Teacher Conferences

Parent Teacher Conferences are held four (4) times each year (9/19/19, 12/5/19, 2/6/20, 3/18/20). They are by appointment only on the dates specified on the school calendar. Please call 724-2211 to arrange a conference 1-2 weeks before the conference date. If you need a conference with a teacher at any other time, please contact the individual teacher.

Graduation Requirements

A. To graduate from Williamsburg High School a student must earn a minimum of 21 credits. In order for seniors to go through graduation ceremonies, they must have all necessary credits. This includes all Williamsburg students and College Credit Plus (CC+) students. All classes must be completed and grades posted by graduation.

B. Students must have passed all required testing by the state of Ohio in order to receive a high school diploma and walk in Williamsburg graduation ceremonies.

Item (A) listed above may be waived for a student enrolled in an approved College Credit Plus (CC+) at the discretion of the High School Principal. Students enrolled in CC+ may participate in the ceremony, but will not receive their diploma until all credit requirements are completed.

It is the policy of the Williamsburg Local Board of Education that participation in the graduation ceremony is reserved solely for those students who have met all applicable state and local requirements. Unfortunately, seniors are confronted with many issues prior to receiving verification that they qualify to participate in the graduation ceremony. Some of these issues, including the ordering of announcements and caps/gowns, may result in financial loss in the event that the senior fails to qualify for participation in the actual ceremony.

Parents of seniors are urged to stay abreast of these issues throughout their student's final year. More information may be obtained by contacting the high school guidance counselor, senior advisor, or high school principal. Ultimately, students are responsible for tracking their academic process throughout high school. It is their responsibility to make sure they fulfill the requirements needed for graduation.

This request can be made either to the school counselor or an administrator in writing.

Summa Cum Laude (Blue/Black) - meaning “with the highest praise” is the highest recognition awarded at graduation. To graduate summa cum laude, a student must achieve a 3.90 or higher grade point average on our 4.00 scale.

Magna Cum Laude (Blue/White) - meaning “with great praise” is the second highest recognition awarded at graduation. To qualify for magna cum laude, a student must achieve a 3.70-3.89 grade point average on our 4.00 scale.

The faculty and administration of Williamsburg High School will also add the additional recognition levels to honor those students who have excelled in WHS’s Honors and AP curriculum. The following Honors distinctions would be added based on the number of Honors and AP courses completed through a student’s senior year:

Honors recognition with “Highest Honors”	# of Honors/AP Courses Required 16+

Community Service

Students in grades 9-12 will be required to perform 10 hours of community service per year. Volunteer work must be approved by a staff member before it will count for hours. This is a requirement to walk in the graduation ceremony.

Credit Flexibility Option

The Credit Flexibility Plan enables students to earn high school credit through alternative coursework, showing mastery of course content through testing, pursuing an educational option and/or individually approved option or any combination of the above. These options must be approved in advance by the school district. Approved credit awarded through this policy will be posted on the student's transcript and counted toward student's grade point average (GPA), class rank and as graduation credit in the related subject area or as an elective. See the guidance counselor or principal for more information.

Educational Options

All educational options including summer school and correspondence school must be approved by the superintendent and/or his designee prior to student enrollment in the course. A correspondence school course will be approved only for seniors for whom required courses do not fit into their schedule.

To qualify for CC+, a student must be enrolled as a student at WHS by the CC+ deadline.

A required course may not be taken at summer school or by correspondence unless a student has previously failed that course. Only one course at a time may be taken for credit, and it must be completed before a student may enroll in a subsequent course.

At the time of enrolling in a correspondence course, the building administrator will establish a completion date for that course to which the student must adhere.

Grading Policy

The school year is made up of four quarters. Grades are given in subjects for each quarter and an exam grade given at the end of each semester. Passing grades are required for promotion and earned credits for all students.

Each class will be assigned a certain area for seating in the auditorium and students should report to this area for all assemblies. When a person is speaking or performing, please direct all attention to that person and remain quiet. All students are required to attend assemblies.

Random Drug Testing

Williamsburg High School students in grades 9-12 will be subject to random drug testing if he/she participates in athletics or extracurricular activities, is a student driver, or attends any school dances. A full explanation of the policy can be found in our Board of Education Policy 2431.01. This Random Drug Testing Policy does not affect the current policies, practices, or rights of the District regarding student drug possession or use where reasonable suspicion is established by means other than drug testing through this Policy.

Although students risk the loss of privileges, the Random Drug Testing Policy is designed to be non-punitive with regard to academics. No student will be suspended or expelled from school as a result of a certified positive test conducted by the District under this policy. The results of the random drug testing will not be documented in any student's academic records. Such results will not be disclosed to criminal or juvenile authorities unless otherwise required by law.

Work Permits

Students (ages 14-18) who are working are required to have work permits. Work permits may be picked up in the high school office. The high school secretary will also give you instructions on the completion of these forms. All materials (physicals, forms, etc.) must be completed before they are submitted to the Williamsburg Board of Education.

Insurance

The school will take every precaution to prevent injury to students. The school has an accident insurance program that is available to all students for a small fee. Your 1st period teacher will give the information regarding insurance to you.

Lost and Found

The office will maintain a lost and found department. Any item found should be given to the middle or high school secretary. Check immediately if you have a lost article. Lost items will be kept in the office for a short time and prepared for donation at the end of each quarter.

Textbooks

Required textbooks are issued free of charge to each student. These books are to be properly cared for by the student and returned at the end of the course in the same condition. Students will be held responsible for reimbursement, in the event a book is abused or lost. Textbooks should be covered.

Chromebooks/Computer Use

Students will use Chromebooks and other computers in their classrooms. Students are reminded to handle devices with care. Students will be held responsible for reimbursement, in the event a Chromebook/Computer is abused or damaged.

Student Council

The Student Council membership is comprised of students in grades six through twelve. All representatives must have a C average with no failing grades in their schoolwork. The council, faculty advisor and administration are judges of qualifications for membership.

Withdrawals from School

A student withdrawing from school should notify the principal and counselor of his/her intention as soon as possible before withdrawal. On the day the pupil withdraws, he/she shall hand in all textbooks and supplies. Failure to follow this procedure will result in grades being withheld from the next school.

Valuables

Students should not bring valuable items to school. The school will not assume responsibility for articles lost or stolen while on school property. If it becomes necessary to bring something of value to school, give it to the secretary in the office for safekeeping.

Desks and Lockers

At the beginning of the school year each student will be issued a locker equipped with a combination lock for each locker. A list of assigned lockers and lock combinations will be kept in the office. Your locker should be locked at all times. Students are cautioned against telling their lock combinations to each other or they cannot expect their property to be safe. Each student is responsible for the cleanliness of his/her assigned locker.

Students are cautioned not to keep money or other valuables in their locker. Schools are not legally responsible for the personal property of students. Desks and lockers are the property of the Board and remain at all times under the control of school officials. Students are granted the non exclusive use of desks and lockers and should not expect privacy with respect to items stored in desks or lockers. Desks and lockers and the contents of all desks and lockers are subject to random

search at any time without regard to whether there is a reasonable suspicion that any desk, locker, or its contents contains evidence of a violation of a criminal statute or a school rule.

Book bags/Backpacks

Students are to place their book bags or backpacks in their locker where it is to remain until the end of the school day. **(No book bags/backpacks are to be brought to class.)** This is an effort to increase the level of safety in the classroom and hallways while at the same time teaching some students to become better organized. All coats and hats should remain in lockers.

Visitors

Any person visiting our school should stop in the office upon arriving and obtain a visitor's pass. Persons in the building without passes will be asked to leave and may be subject to penalties under the State Law, which prohibits trespassing in public schools. All visitors should report to the upper level of the school and enter through the secure entrance. Visitors are required to bring their driver's license with them to pick up any child from school or to conduct any business in the school.

Schedule Changes

Once students have been scheduled for classes and rooms have been assigned, it throws a schedule and class out of balance if schedule changes are permitted after school begins. For this reason, no schedule changes will be made after spring scheduling is completed, except in very unusual circumstances. Students will be expected to make careful choices and then stay with those choices.

No scheduling changes will be permitted after the first ten (10) school days. If a change becomes necessary, students must obtain a drop slip from the Counselor. This must be shown to the teacher of the class being dropped. A copy will be sent to the principal's office. An add-slip must be obtained for your new class. A copy of this must go to the subject area teacher and another to the principal's office.

All full time students must carry at least six (6) classes. Students attending US Grant CTC may not return to Williamsburg High School until after the end of the second week of the school year. Such change in scheduling would not be in the best interest of the student for his/her academic growth.

National Honor Society

The Burgonta Chapter of Williamsburg High School is an active member of the National Honor Society. The purpose of the society is to create an enthusiasm for scholarship and to encourage the development of lifelong learners. To be elected to membership in the National Honor Society is the highest honor which a school can bestow upon a student. Each year a number of qualified juniors or seniors will be considered for induction into the National Honor Society. The advisor will inform students about the eligibility process for National Honor Society.

NHS Requirements

These (4) characteristics are considered in the acceptance of any student into the National Honor Society: Scholarship, Service, Leadership, and Character.

Scholarship: The student must have a 92% cumulative grade average or better.

Service: The student must demonstrate a contribution to the school or to his/her fellow students. Active membership in clubs, organizations and extracurricular activities are highly considered.

Leadership: Initiative, cooperation, ambition, and responsibility are highly considered. Holding leadership offices in organizations is important but not required. Taking an active part in leading classroom activities is an example of leadership.

Character: One's conduct, behavior, attitude and moral values demonstrate this characteristic. Traits such as honesty, trustworthiness and respect for people and their property will receive great consideration.

A committee made up of staff members will evaluate each candidate's application to be considered for membership.

Ohio State Testing Test Security

Any student found to be guilty of cheating on the annual state testing, or assisting a student to cheat on the test may be subject to the following penalties:

1. Invalidation of the student's test score.
2. Notification to the Ohio Department of Education of the finding and of the action or actions taken.
3. The Williamsburg Board of School District Board or the State Board of Education may seek the maximum penalty or penalties pursuant to section 3319.151 of the Ohio Revised Code.

Student Journalism

Official student publications (newspapers, yearbook, electronic media, etc.) are a part of the school curriculum and editorial control remains with the administration.

Driver's Education

Students under the age of 18 are required to successfully complete a driver education course before obtaining Ohio driver's license.

Driver's License

Students should be aware of several issues put into law (Ohio Revised Code) pertaining to the possible suspension or denial of driver's licenses.

Specifically, students who dropout of school, are suspended or expelled for use of drugs or alcohol, or are habitual truants may have their driver's licenses suspended. Students who are under age may be denied the issuance of a temporary instruction permit or driver's license.

Surveillance Cameras

Students are duly informed their behavior on school property, school buses and/or adjacent property may be monitored by security cameras. This can be used for disciplinary proceedings. The administration provides prior notice to staff, students and parents/guardians that electronic surveillance may occur on school property or in school vehicles. In addition, appropriate signs are posted in building entrances and at other locations deemed appropriate by the administration to inform visitors that electronic surveillance may occur on district property.

Discipline

We feel that by the time a young person enters Williamsburg Middle/High School, very little discipline should be necessary. If you want to do well in school and stay out of disciplinary situations, there is only one simple rule to follow: Be where you are supposed to be, when you are supposed to be there, doing what you are supposed to do.

Discipline for Student Misconduct

A major component of the educational program in Williamsburg Middle/High School is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards. Students are expected to behave in accordance with School District and Middle/High School rules, policies, administrative guidelines, and in away that respects the rights and safety of others.

Student misconduct is defined as any student conduct that interferes with the maintenance of a positive learning environment or disrupts the educational process. Student acts and behavior that tend to conflict with the educational programs or are antagonistic to the welfare of other students, school staff, and/or Williamsburg Local School District and its property will not be tolerated. Student lockers and desks are school property and, as such, may be subject to periodic inspections by authorized school officials. In addition, parking on school property is a privilege, not a right. Cars parked on school property are subject to routine patrols by school officials. Cars may be searched upon reasonable suspicion.

Disciplinary action shall be determined based primarily on the offense committed. Other factors such as the frequency of a particular offense or the number of repeated Code of Conduct violations as well as the student's age may be considered. Student misconduct shall result in discipline commensurate with the seriousness of the offense and the relevant circumstances and may justify suspension and/or expulsion.

Sexual Harassment

Sexual harassment has no place in the Williamsburg Local School District, whether between the supervisor and the supervised, between co-workers, between employees and students, between students, or between any student or employee and a member of the public visiting the schools.

Complaints or information regarding sexual harassment shall be directed to the appropriate building principal who shall have a duty and the authority to conduct an independent investigation of the matter.

If students do not feel comfortable talking to an adult, they are encouraged to use Williamsburg's safe@burgschools.org or call 513-818-BURG (2847). This email address and helpline is for members of our school community to use to report any information that could have a negative impact on students, staff, or school property. Examples include, but are not limited to, violence, sexual harassment, weapons, threats, thefts, property damage, and drug/alcohol abuse.

Anti-Hazing Policy

It is the policy of the Williamsburg Local Board of Education and School District that hazing activities of any type are inconsistent with the educational process and shall be prohibited at all times. No administrator, faculty member, or other employee of the school district shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organizations, shall plan, encourage, or engage in any hazing.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent, or assumption of risk of an individual subjected to hazing does not lessen the prohibition contained in this policy.

Administrator, faculty members, and all other employees of the school district shall be particularly alert to possible situations, circumstances or events that might include hazing. If hazing or planned hazing is discovered, involved students shall be informed by the discovering school employee of the

prohibition contained in this policy and shall be required to end all hazing activities immediately. All hazing incidents shall be reported immediately to the Superintendent.

Administrator, faculty members, students, and all other employees who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in accordance with Ohio law.

The contents of this policy shall be distributed in writing to all students and school district employees following its official adoption by the Board of Education. In addition, this policy shall be incorporated into building, staff, and student handbooks, and shall be the subject of discussion at employee staff meetings or in-service programs.

Anti-Bullying Policy

The Williamsburg Middle/High School is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The school encourages the promotion of positive interpersonal relations between members of the school community.

Harassment, intimidation, or bullying toward a student, whether by other students, staff, or third parties is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse, and violence within a dating relationship. The Board will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property, on a school bus, or while in-route to or from school, or the effect of which occurs on school property, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

Harassment, intimidation, or bullying means:

Any intentional written, verbal, electronic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s); or violence within a dating relationship.

Harassment, intimidation, or bullying also means cyber-bullying through electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistant (PDA), or wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent. The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator. All complaints about aggressive behavior that may violate this policy shall be promptly investigated by the appropriate person.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

Deliberately making false reports about harassment, intimidation, bullying and/or other aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Deliberately making false reports may result in disciplinary action as indicated above.

If after investigation, acts of harassment, intimidation, and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify the parent/guardian of the perpetrator of that finding and any disciplinary consequences that will be imposed against such student.

Retaliation of any kind will not be permitted. This includes engaging in harassing behavior after an investigation occurs whether discipline was administered or not.

Bullying & Character Education at Williamsburg Schools

In an effort to proactively teach kindness, acceptance, and good citizenship, Williamsburg Middle/High School implements a Character Education program that teaches students specific character traits. Williamsburg Middle/High School has also adopted the *Olweus Bullying Prevention Program* to improve the school climate for all students. This program is modeled after the research of Dr. Dan Olweus, a leading expert on reducing bullying in schools. The program goals are:

1. To reduce and eliminate bullying behavior and violence in schools.
2. To prevent new occurrences of bullying and violent behavior.
3. To create a respectful, trusting, supportive environment that fosters learning.

As a school, we will be working with students to realize the following commitments:

- We will not bully others.
- We will include students who are easily left out.
- We will try to help students who are bullied.
- When we know somebody is being bullied, we will report it to an adult at school and an adult at home.

Williamsburg M/H School has adopted the Olweus Bullying Prevention Program's definition of bullying, which is: **Bullying is when someone repeatedly and on purpose says mean or hurtful things to another person who has a hard time defending him or herself.**

What can students do to **STOP** bullying if it is happening to you or someone else?

S – Say something. Tell the person to STOP and walk to a safe place.

T – Tell an adult at school and at home.

O – Options should be discussed at home and school to plan what to do if it happens again.

P – Practice your plan so that you will be prepared.

This program involves important classroom and school-wide components. It is critical and necessary that students and/or their parents inform teachers and the school administration about potential bullying behaviors.

SAFE@BurgSchools.org

Students who have been bullied or have witnessed bullying should immediately report such incidents to the classroom teacher, school principal, or any other trusted staff member. If students do not feel comfortable talking to an adult, they are encouraged to use Williamsburg's safe@burgschools.org or call 513-818-BURG (2847). This email address and helpline is for members of our school community to use to report any information that could have a negative impact on students, staff, or school property. Examples include, but are not limited to, violence, sexual harassment, weapons, threats, thefts, property damage, and drug/alcohol abuse.

Students are never to be in the hall during the school day without authorization from a teacher or administrator. It is the responsibility of the student to obtain this pass, and must be signed by a staff member. You will not be permitted to leave class without a hall pass.

School Buses

The driver is responsible for the discipline on the bus and is under instructions from the Superintendent to report to the Principal cases of misconduct. In extreme cases, the driver has the authority to refuse transportation to pupils who do not behave in the proper manner.

The bus driver is not permitted to let you off at any stop other than your regular discharge stop nearest your home, unless approved by the transportation department through completion of a bus transportation variance form.

Transportation Procedures

This summer, student bus assignments were mailed to parents, with specific pick-up and drop-off times. If you need to make any changes to your student's transportation, a variance form is required. This includes any student that will be picked-up or dropped-off someplace other than their home bus-stop on a daily basis. This includes students that are open-enrolled and need transportation from a sitter or daycare within the Williamsburg School District. The form is not to be used for one-time or occasional occurrences.

Variance Guidelines:

1. Variances for riding regular routes may be granted for childcare/babysitting purposes only. New routes will not be created nor existing routes modified to accommodate a variance. Variances may be denied or revoked if ridership exceeds bus capacity.
2. The student's requested pick-up and/or drop off location(s) must follow an established, consistent schedule. Preferably the same location(s) all 5 days each week.
3. Requests will be approved/denied within two (2) school days of receipt at the Transportation Office.
4. A new variance request must be submitted if another change in bus assignment is requested.
5. Questions concerning transportation issues should be directed to the Transportation Office, at 732-0935.

NOTE: The driver is responsible for discipline on the bus and is under instructions from the superintendent to report to the principal cases of misconduct. Consequences of a student receiving a bus conduct slip can include the following:

- Written warning
- Loss of school privileges
- After-school detention
- Any consequence previously mentioned regarding student misconduct
- Suspension from the bus
- Permanent removal from the bus

CATS bus passes can be obtained from the CATS teacher for students to ride the elementary route home after school. However, students who are serving after school detention will not be permitted to ride the school bus home. Students serving detention will be required to provide their own transportation home.
